Blackwater Midstream Corp. Announces Engagement of RedChip Companies for Investor Relations Programs

NEW ORLEANS--(BUSINESS WIRE)--Blackwater Midstream Corp. (OTCBB: BWMS), an independent developer and operator of petroleum and chemical liquid terminal storage facilities, announced today that it has hired RedChip Companies, Inc. to enhance its investor relations outreach programs.

Mike Suder, Chief Executive Officer of Blackwater Midstream Corp., commented: "We chose RedChip to assist with our investor relations programs based on their track record of success in increasing visibility for emerging growth companies, as well as for their comprehensive portfolio of products and services. As we manage our growth, we continue to aim for the highest level of service and stewardship in all areas of our operations. We look forward to working with RedChip's team as they work to build solid and lasting relationships with new investors, while strengthening existing relationships with current shareholders."

"We are excited for the opportunity to represent Blackwater Midstream Corp.," said Jon Cunningham, Director of Investor Relations of RedChip Companies, Inc. "Blackwater is experiencing steady growth since acquiring its Westwego facility in late 2008, and they have a highly experienced management team who sets high standards and expectations for the company. We look forward to leveraging our investor and public relations platform and working to introduce them to our network of investors," he added.

About Blackwater Midstream Corp.

Blackwater Midstream Corp., through its wholly owned subsidiary Blackwater New Orleans, LLC, is an independent operator of a bulk liquid storage terminal in the Port of New Orleans. The Westwego facility consists of 752,000 barrels of storage capacity, capable of storing a variety of chemical and petroleum products. The site offers marine, rail, and truck access for product distribution. Blackwater Midstream Corp. is a member of the International Liquid Terminal Association.
